Dated this the 3rd day of January, 2007.

JUDGMENT

Heard counsel for the petitioner and Government Pleader. The petitioner is challenging award of first prize to third respondent. The grounds raised are that the judges are not qualified in Kolkali and the mike provided to petitioner's team was not a condensed mike and that the floor was cemented. According to petitioner, these technical objections were accepted in principle by the appellate authority, but still they declined to interfere on the ground that the first prize winner got 22 marks over the petitioner's team. I do not think there is any justification for this court to interfere with the award of first prize to third respondent on any of the grounds raised by the petitioner because there is nothing to indicate that the first prize winner-team was provided any different facility than what was given to the petitioner's team. In the circumstances, W.P. fails and is dismissed.
